2019 Proposal Guidelines

Submissions are accepted on an on-going basis.

- **Proposal** - Introduce yourself or group, include a brief description about the artwork and why your work is relevant and well-suited for an exhibit in the Fermilab Art Gallery.
- **Resume**
- **Artist Statement** - Describe the focus of your recent work and your objectives.
- **Digital Images** - 10-25 images of the work you are proposing to exhibit. Digital images should be .jpg format, include title, medium, dimensions, price and year of completion. Send via CD, drop box link or preferably in one PDF document.
