Fermilab Art Gallery

Proposal Guidelines Submissions are accepted throughout the year. The Fermilab Art Gallery is looking for artwork that highlights the intersection between art and STEM.

1. **Proposal** - Introduce yourself or group, include a brief description about the artwork and why your work is relevant and well-suited for an exhibit in the Fermilab Art Gallery.
2. **Resume and Artist Statement** - Describe the focus of your recent work and your objectives.
3. **Digital Images** -10-25 images of the work you are proposing to exhibit. Include title, medium, dimensions, price, and year of completion.
4. **Submit** - Send in one PDF to Email art@fnal.gov

Thank you for your interest in submitting a proposal for an exhibition in the Fermilab Art Gallery.
